Subject: Can we book a consultation, please?

Dear Fedpro,

I am David Stebbins, and I typically use Deborah too advise me.

I have received back the US Marshal's service of process in Case 3:23-cv-00322-TLT (Stebbins v. Google LLC). As you can see, it says that service was conducted on Feb. 14, 2023, which means that the defendant's response is due by March 7, 2023.

The Defendant has announced that it intends to file a motion to dismiss in this case.

So can we book a consultation for around a week after that date to discuss my opposition to that motion? Ideally, somewhere in the ballpark of March 14-18, which would give me some time to create my own draft of the opposition, but would also give me enough time after our appointment to make the revisions you recommend.

Thank you, and please respond promptly.

Sincerely,
David Stebbins
